

Reliable Fountain Pens of High Quality

Have you a dependable, easy writing, non-leaking fountain pen—one you can rely upon to give you ever ready service and satisfaction? We show on this and the opposite page pens of high quality at prices that are money savers. All are fitted with 14-karat solid gold pen points tipped with iridium, the best material known for the purpose. This insures good writing qualities. All are designed on the underfeed principle, which we believe gives greatest satisfaction. You will make no mistake in selecting any pen from these pages. Each and every pen shown bears our unqualified guarantee.

With each pen we furnish complete instructions for filling and cleaning, a fountain pen filler and a neat nickel plated clip to prevent loss of pen from pocket. Pen points are furnished in your choice of fine, medium or stub. Be sure to state style of pen point wanted. If not specified, we shall send medium pen point.

If to be sent by parcel post send 3 cents extra for postage.
